## Downloading “The Foundations of Frontier Lodge” E-book

Here is an example of how to download the E-book using the Safari mobile browser.

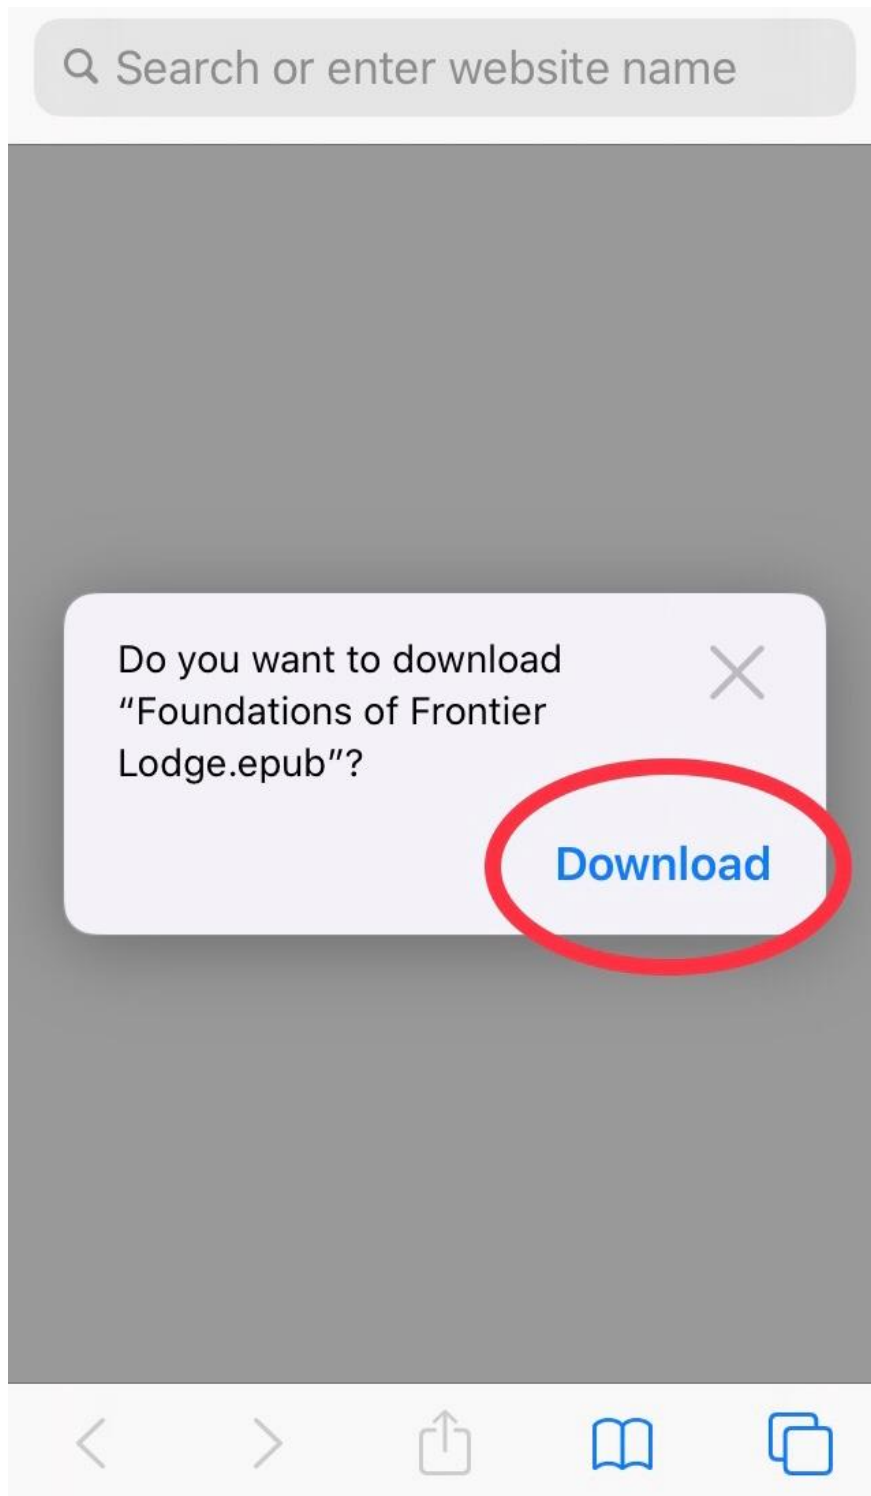

Each device and browser looks different, and may not appear like this example.

Please contact us by email if you need support: [office@frontierlodge.org](mailto:office@frontierlodge.org)

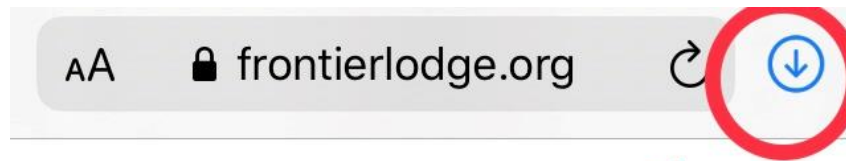

### Step #1: Click on the E-Book icon.

The screenshot shows a mobile browser interface. At the top, the address bar displays "AA" on the left, a lock icon followed by "frontierlodge.org" in the center, and a refresh icon on the right. Below the address bar, the text reads: "Designed for reading on computers, this PDF version of our history book allows you to search the document, and skip to sections using our Table of Contents. Simply click above to open the book in a new tab!". In the center, there is a green icon of an open book, which is circled in red. Below the icon, the text "E-Book" is displayed. Underneath, the text reads: "Designed for reading on smaller devices (mobile phones, tablets, e-readers), this e-book version of our history book allows you to save the book on your device, change the font size, read at your own pace, and have your page bookmarked for the next time you open it! Simply click above to start the download!". At the bottom, a navigation bar contains five icons: a left arrow, a right arrow, an upload icon, an open book icon, and a document icon.

**Step #2: Click the download button.**

**Step #3: Your download should appear here. Click on the download icon.**

Designed for reading on computers, this PDF version of our history book allows you to search the document, and skip to sections using our Table of Contents. Simply click above to open the book in a new tab!

## E-Book

Designed for reading on smaller devices (mobile phones, tablets, e-readers), this e-book version of our history book allows you to save the book on your device, change the font size, read at your own pace, and have your page bookmarked for the next time you open it! Simply click above to start the download!

**Step #4: Click on E-book title to open it in your “Books” app.**
